

Earley Engineering & Associates  
3763 Jonesboro Rd., Midland, Ohio 45148  
(937) 685-6044

EEA is full service company serving industry for over 20 years. Registered with the BBB with a A+ rating.

### **Prototyping\Design\ Engineering**

- Full Expert Design and Engineering staff with well over 170 years of combined experience in the following:

- Fixturing
- Robotic End Effectors (*Large or Small scale*)
- Automated Welding Stations (*Incl. Fixturing, CNC Positioning or Stationary*)

### **Custom Engineered Equipment and Systems\Turnkey.**

Whether your needs are to re-design\update existing equipment or a complete up-to-date new to state of the art system, we specialize in assessment, solution proposal, implementation, testing and installation. From small projects to \$1M+.

### **EEA streamlines large or small production problem areas.**

EEA also specializes in offering complete solutions to your most difficult production areas where “bottlenecks” are seemingly un-surmountable, whether it’s an individual product part process or a Product Line Process. Through our resources of knowledge and real-world experience we pride ourselves on taking on those challenges and solving them for you with the most cost effective solution.

### **Machine design\Turnkey**

- Product Processing (*Large or Small scale*)
- Machining (*Large or Small scale*)
- Production
- Part Manufacturing (*Large or Small scale*)
- Leak Testing
- Packaging
- Product Qualifying (*Large or Small scale*)
- Tooling

### **Processing Equipment\Turnkey (To name only a few)**

- High Speed Part Handling
- Process Machine Tending (*from parts weighing Oz’s. To Multiple Tons*)
- Vision Systems (*part identification/ conformance*)
- Temperature Systems
- Material Handling
- Sorting
- Robotic Work cells
- Palletizing
- Automated Production Lines
- Assembly Lines
- Work stations
- Lifts
- Lift Assist (*Balancing*)
- Product Orientation
- Belt Conveyors
- Table top Conveyors
- Matt Chain Conveyors
- “V” belt Conveyors
- Chain Conveyors
- Gravity Conveyors
- Live Roller Conveyors
- Safety Roller Conveyors
- Custom Conveyors
- Air Line Ground Support Equipment
- Turning and Gating
- Raw Materials Feeders
- IN-Line Buffer Systems
- Hand Packing Stations

Earley Engineering & Associates  
3763 Jonesboro Rd., Midland, Ohio 45148  
(937) 685-6044

EEA is full service company serving industry for over 20 years. Registered with the BBB with a A+ rating.

### Facilities Systems\Turnkey

- Equipment Mezzanines
- Industrial Mezzanines
- Elevated Walkways
- Stairways (*Stationary and Portable*)
- Product Elevators
- Hoppers (*From Multiple Tons to Pounds*)
- Storage Systems
- Carts
- Scissors Lifts (*Standard and Custom*)

### Industries Served

- Automotive (Tier 2 supplier)
- Petroleum
- Consumer Goods
- Food (*Human Consumption*)
- Food (*Animal Consumption*)
- Agriculture
- Industrial Repair
- Metal Processing
- Wood Processing
- Plastics Processing
- Government (*Several Departments-Sub Contracting*)
- Consumer appliances
- Consumer Housing Construction Goods
- Sanitation
- Volatile Substances
- Safety
- Ergonomic
- Bottling
- Canning
- Packaging
- Labeling
- Assembly

### EEA Additional Services

- EEA offers the widest range of services in its industry.
- FEA (*Finite Element Analysis*)
- PE Services
- U.S. and International Service
- 3D modeling
- Current Design CAD Platforms:
  - SolidWorks
  - Pro Engineer (*Wildfire to Creo 3*)
  - AutoCAD (*2D to Inventor*)

- Complete Engineering packages (for contract engineering services only).
- Contract Engineering (Onsite and Offsite, long and short term available).
